**BIBLICALLY DISCIPLING
& EQUIPPING
ALASKA NATIVES**

We've been blessed to be able to work with many people over the last 10 years in ministry. I believe God has put us together not only to help reach Alaska Natives for His Kingdom, but also to break down walls built up by cultural differences, denominationalism, traditions of the church, and false teachings. I pray that you will also consider partnering with me in this work God has called me into. ~Lance

"LANCE HAS HAD A HUGE IMPACT ON MY LIFE AND STILL DOES. THE BIBLE CAMP HE LEAD IN WASILLA IS WHERE HE SHARED THE GOSPEL AND I CAME TO KNOW THE LORD. HE HAD TAUGHT ME HOW TO START A YOUTH GROUP IN MY HIGH SCHOOL IN DILLINGHAM, AND EVEN CAME TO MY HOMETOWN TO MEET WITH US...

I HAVE ALSO SPENT HOLIDAYS & BREAKS WITH HIS FAMILY. THEY ARE LIKE MY SECOND FAMILY, ESPECIALLY HOW

WELCOME I AM TO THEIR LIVES AND HOME. I DEARLY LOVE THE KRAMER FAMILY AS MY OWN...

THERE ALSO HAVE BEEN TIMES WHERE MY IMPERFECTIONS GOT THE BEST OF ME. I WAS HONEST TO LANCE ABOUT THEM, AND AS GALATIANS SAYS TO GENTLY RESTORE, LANCE DID, AS HE PRESENTED TRUTH, HONESTY AND LOVE TO ME AS A FELLOW BROTHER. AT TIMES I FEEL LIKE LANCE IS BATMAN AND I'M ROBIN. HE LED ME TO THE LORD AND DOESN'T WANT MY BEST OR HIS BEST FOR ME BUT GODS BEST FOR ME.

ALSO, LANCE HAS INFLUENCED ME TO SEEK CHRISTIAN EDUCATION AND SO FAR I HAVE FINISHED TWO YEARS CHRISTIAN COLLEGE, ONE SEMESTER AT A CHRISTIAN VOCATIONAL SCHOOL, ONE INTERNSHIP WITH CHANGEPOINT, AND NOW I AM ON MY SECOND INTERNSHIP, WITH COVENANT YOUTH OF ALASKA. I AM LEARNING MORE ABOUT YOUTH MINISTRY IN RURAL ALASKA. AFTER ALL I AM DESIRING TO BE A YOUTH PASTOR WITH MUSIC PRODUCTION AND CONSTRUCTION AS TRADES TO SUPPORT MYSELF. LANCE HAS BEEN QUITE THE INFLUENCE ON MY LIFE." ~ISAAC

"Lance Kramer is a modern-day "John the Baptist". His teaching is captivating and riveting.

We have partnered with Lance for the past two years in reaching the native teens in Kotzebue and the surrounding villages, with the gospel of Jesus Christ. As God continues to give Lance, and his wife, Corina, a solid vision for these youth, the Newton Foundation is ready to be a supporting arm for the long haul.

Lance is just the man, we believe, that has been favored by God to lead the charge of salvaging this generation of children and youth in Alaska."

"I have known Lance Kramer for at least eight years. I have never met a man so passionately driven to reach his people with the gospel of Christ. He is not satisfied in just leading them to Jesus; his passion is to make true disciples. As a member of the board of directors for Super Summer Oklahoma, I was so impressed by Lance that I encouraged our organization to parter with his ministry to do the first ever ministry camp to Natives in Kotzebue, Alaska. The result? Close to one hundred campers and more than half of them coming to Christ. He is a visionary leader that must be invested in. I look forward to partnering with him again for the sake of souls."

"Lance Kramer is unsurpassed in his ability to speak into the lives of the Alaska Natives. He is clearly identifiable as a prophetic voice, a fruit-bearing disciple-maker, and a visionary leader. Join him as a partner in the Gospel."

"I personally met Lance about 4 years ago when he was doing an Eskimo games demonstration for our mission team. I was so impressed with his energy, charisma and confidence. I see in Lance a clear vision and a great passion to reach the people of the Arctic regions. His strategy has a strong emphasis on discipleship with a priority on raising up mature young people who will be strategic in reaching the Village region for Christ. I believe in the years ahead that Lance, Corina and their family will play a vital role in the advance of the gospel to the Eskimo people."

Pulling Together

For the Glory of God

"...Lance is a true follower of our Lord Jesus Christ and lives out the truth of Christ in his life. Lance has a heart for Alaska

and the people of Alaska. Lance has been blessed by the Lord with the gift of teaching and proclaiming HIS Word. Many, many have come to know the Lord through the Ministry which God has set forth through Lance. We appreciate and have been blessed through Lance's faithfulness, his obedience, his testimony strengthened in our own faith in Christ and inspired by Lance's deep abiding love for the Lord Jesus and his passion to share the gospel in Jerusalem, Judea, Samaria and the utter most parts of the earth. We continue to desire for the Lord to use us in any way He chooses in the life of the Kramers."

It is a privilege to recommend Lance Kramer as an evangelist with a heart and passion for the Native Alaskans. Lance is a man of integrity and a student of the Word of God. Lance preached a revival in our church in Nov. 2010 and our folks said it was the best revival we've had in years. Lance's ministry, Workers In The Harvest (W.I.T.H) is such a God directed ministry and our church is thrilled to be a part of it, not only with financial help but also with hands on participation. I had the privilege of being the cook for Freedom Camp 2010 in Kotzebue, AK where 15 teenagers were saved. The ministry of W.I.T.H that God has called Lance to do is truly a God given opportunity that I believe is going to allow us to see many lives transformed. Dr. Henry Blackaby, in his book "Experiencing God", said that we are to look around and see where God is working and then join Him. God is working through W.I.T.H., I know I want to be a part of it. I hope God will lead you to join this effort also.

"In my tenure as pastor for the Kotzebue Assembly of God Church, I was privileged to have Lance come along side of to help me orientate: Team 2010 Alaska Missions from Alaska, Colorado, New York, and Utah. The orientation focused on the impact of the Gospel message in Northwest Alaska for over a century now.

Lance is gifted in the area of preaching and teaching. He is passionate about evangelism and discipling once individuals become saved. It was a great pleasure to help him and his team conduct a week long Freedom Camp in Kotzebue as well. The Lord was gracious in arranging these two outreach camps one after the other; back to back camp sessions the summer of 2010.

Please prayerfully consider coming along side of this great man of God as he launches Workers in the Harvest (W.I.T.H.) Alaska Ministries."

NATIVE INUPIAQ MINISTERS

"2 Cor 3:3-'Clearly you are an epistle of Christ, ministered by us, written not in ink but by the Spirit of the living God, not on tablets of stone but on tablets of flesh, that is, of the heart'.

Lance is an open book that needs to be read this day and age. I believe, without reservations, that I hear God's word through this man. He has a message that men, as well as women, need to hear. Our Bible does say that 'my sheep know my voice'. I feel as though the Apostle Paul would be writing to admonish his followers, but one thing I will say on behalf of Lance Kramer, GOD has called him for such a time as this..."

"From seeing God's love through Lance & Corina, and their ministry, I KNEW that's what I wanted. They led me to the Lord, then opened up their home for fellowship, Bible studies, and always made time for prayer and godly counsel. Also, from observing them as parents who strive to train up their children in the ways of God, I too am setting an example for my children. I'm excited to be an active part of the ministry someday!"

"Lance is very inspiring and a caring guy. He makes things fun and easy. Has a passion for the Lord and is my mentor when I get to see him because he always teaches me something new. He's also motivated and has a very supporting family behind him and is willing to do the Lord's will."

"...I WAS PRIVILEGED TO ATTEND W.I.T.H. CHURCH SERVICES AS WELL AS HOME BIBLE STUDIES. LANCE WAS VERY KNOWLEDGEABLE ON THE BIBLE. BUT MOST IMPORTANTLY, HE LIVED IT. W.I.T.H. MINISTRIES HAS CHANGED MY LIFE FOR THE BETTER. THAT I TOO, CAN FURTHER THE GOSPEL OF JESUS CHRIST TO MY PEOPLE, THE GOOD NEWS!"
